

LEAVE THE WEATHER AND TRAFFIC CHANNELS ALONE!!!!!!!!!!!!!!As a loyal XM subscriber for over 2 years now, i like the upgrade of weather and traffic channels. i do not listen to howard stern, limbaugh, air america, etc. i just listen to music, { a rare thing these days on FM/AM RADIO } I also like the fact that i have the "FREEDOM" of avoiding a traffic jam or hurricane in my car with the push of a button . THE FREEDOM ONLY XM RADIO PROVIDES ME!!! TY
